# The birthday party

Today Tom wakes up very early. It is a beautiful Sunday morning and it is Tom's birthday! He is 9 today. There is going to be a birthday party in his garden in the afternoon. All his friends are coming. Mum is making a big chocolate birthday cake and many cupcakes.

Mum, dad and Ace come to Tom's bedroom. Mum and dad give him a big hug.

- Happy birthday, Tom - they say happily.

Ace gives Tom a big kiss on the cheek. It is very tickling. Tom starts laughing.

- Get up - says dad. - We have a surprise for you in the garden. Let's go!
