# The schoolbag

It is the last week of summer holidays. It is a nice, sunny day. The sky is blue and there are no clouds. Kate, Tom and Ace are in the garden. They are resting after a long walk to the park. Soon, they want to go for a bike ride. Ace also wants to go. He likes running next to Tom when he is riding his bike. Kate and Tom put on helmets, take their bikes and go for the ride. They are going fast, so Ace has to run fast, too.
